And more

### **EXCELLENCE**

---

Our organization is built upon our commitment to excellence in our work, our culture, and our communities as we come together to build a better world.

### **WHO WE ARE**

---

We serve our community by employing veterans and by working with military values and decorum. Delta T jr LLC is a service-disabled veteran-owned general contracting company that employs more than 50% veterans. Our company owner served 24 years as a Seabee Senior Chief in the US Navy, working under the Naval Facilities Engineering Command (NAVFAC) umbrella. That experience has helped Delta T jr LLC expand as a self-performing construction contractor that services the entire United States. We utilize local laborers to aid in general construction, as well as six employees with multiple trade capabilities and OSHA 30-hour certifications.

### **MISSION STATEMENT**

---

Our mission is to serve our veterans and their families first. We provide contracting services with honor, courage, and commitment.

### **VALUES**

---

At Delta T jr LLC, we value decorum, trust, and integrity.

### **STANDARDS**

---

Regardless of their service background, each of our employees strives to meet the standards that we learned serving in the U.S. Military, including honor, courage, and commitment to protecting your entire project investment.

### **COMMITMENT**

---

We ensure that you get what you want before we get what we want. We are committed to our community through service.
